The Android TV box is nice streaming device and an operating system that was designed by Google for everyone to experience a smart streaming service. This becomes more interesting as apps can be installed on the Android TV from the Google Play Store with the aid of an internet connection. On the other hand, Kodi is a streaming device that has grown rapidly and mostly used by lots of people. It can stream videos online and even from our home network, and it is a free streaming device. Android TV box installed with Kodi has gained popularity for its low cost and smart streaming services provided. There other add-ons that can be install on Kodi (Exodus or Phoenix), although, they are not designed by the developer of the Kodi apps. This guide is here to give you an easy way to setup your Android TV box.

iOS 11 for the iPhone includes a host of exciting new features, including a revamped Control Center and all-new powers for some of your favorite apps—Siri, AirPlay 2, Maps, Photos, and Maps. You can even send payment via iMessages and type with one hand! And the best way to learn all of these features is with iPhone: The Missing Manual—a funny, gorgeously illustrated guide to the tips, shortcuts, and workarounds that will turn you, too, into an iPhone master. This easy-to-use book will help you accomplish everything from web browsing to watching videos so you can get the most out of your iPhone. Written by Missing Manual series creator and former New York Times columnist David Pogue, this updated guide shows you everything you need to know about the new features and user interface of iOS 11 for the iPhone.

Don't WAIT until the honeymoon is over... Book Description A good android box will offer you a swell honeymoon when your relationship is new. Eventually though, there will be a final perfect boot from your android TV box. On that day, the honeymoon will be over. If you want to renew your relationship, you will need to understand your android box. You must negotiate with it, instead of reading it your expectations and offer a carrot where you are accustomed to using a stick. Out of the box, new Android TV Boxes offers you a piece of complex streaming equipment and a 3 X 3, four page manual, only ONE page of which is written in English. This might imply to you that there is little to know about your android TV box, but this is not true. In fact, there is MUCH to know about managing your android TV box that those few printed pages cannot capture. An android TV box is just like any other computer system. To use it fully, you need to understand it. Even using a toaster takes some understanding and even a bit of

training - and still we manage to burn the toast! Your android TV box certainly is more complex than a toaster. Learn all about it that you can. Android TV boxes open a world of content and utility unmatched by any other type of TV tool. The online android TV stores are ALL candidates to run on your android TV box. However, because most of these apps think they are running on an android phone, they can crash your system horribly, costing you hours to rebuild. The GOOD news is that, you CAN use these applications safely, IF you experiment according to a plan. Let this book be YOUR plan - and use your android TV box without fear of crashing it. The book describes a FREE plan to manage android TV boxes that will open up your android TV system to permit you to experiment with online apps to customize your system to your liking. Use your system to do anything without fear of crashing your TV box into oblivion. You can do this safely, and if you crash, an emergency process is included to recover even the most severe crash in only FIVE minutes. You will recover to the precise point that your system crashed. Learn what you DON'T know about your android TV box. This book hopes to make the subject of android TV box management easy to understand, digest, and to apply. This book is written in plain English. We keep the concepts and language simple. This book describes every element of android TV box management to from memory management to system organization. You probably think that you don't need to know these things, but I plan to prove you wrong. After acquiring the knowledge in this book, you will regard your TV box in an entirely different way. You will USE your TV box in an entirely new way, and you need not spend a single additional penny to make this happen. Learn what you DON'T know. Read this book NOW and take CONTROL! Key Features Build it FREE! PROTECTS your system from catastrophic damage Keep your android memory CLEAN Maintain HIGH system stability Emergency restore process included Use apps safely from Google™ Play Store and online android app sites Recover FAST after severe crash Easier/faster Reboots and Resets
